The membership year runs from January 1 – December 31. Membership is for the calendar year in which it is purchased. **Club Membership**

The current club membership rates are:

\$150.00 + HST = \$169.50 New Club Membership

\$100.00 + HST = \$113.00 Existing Club Membership Renewal

\$190.00 + HST = \$214.70 Extra Insurance Fee for Clubs operating in a private rented facility. (“Slip and fall insurance”)

New Club Memberships must be vetted and approved by the OJA Board of Directors. New clubs accepted for membership will join on a probationary period of 1 calendar year from the time of acceptance by the Board. Once the probationary period has passed, the club will be renewed as a regular member of the OJA. Club membership must be sent into the Office.

The OJA requires all member clubs to register all of their members as OJA members. (See individual membership below) The main purposes of registration are:

- To identify members and ensure they are fully covered by our liability and accident insurance coverage
- To act as a primary revenue source to enable the Association to provide services to its members
- To provide opportunities for government funding by accurately recording the number of participants in Jiu-Jitsu in Ontario
- To provide member specific programming, services and benefits

The Extra Insurance Fee is for clubs operating in a privately rented facility as opposed to a public facility. The extra fee is mandated by our Insurance Provider and covers issues arising in the immediate vicinity of the facility. (i.e. “Slips and Falls”) Examples of public facilities include: community centers, school gyms, church halls, etc. Any questions on this can be directed to the Office.
